WELCOME!

Please view this presentation in its entirety. It provides details on directions, parking, picking up your child after their heat, and other important information. We want a wonderful and safe Race Day experience for participants, spectators, volunteers and staff. It will go much more smoothly if everyone has read the information in this presentation.

Thanks – Kids Run the OC

The logo for Kids Run the OC features the word "KIDS" in large, colorful letters (pink, green, orange, blue) with a white outline, and the word "RUN" in smaller, blue letters with a white outline below it. Bibs, D-Tags and Timing

- Each registered participant receives a “Bib” with a “Bib Number” and a “D-Tag”.
- The “Bib Number” is how we track them in our timing system in the “Family Reunion/Kid Pick Up Area” after the race with our “Claim Ticket System”.
- The “D-Tag” is what gives the participant their actual race time.
- The “D-Tag” and “Claim Ticket” are on the front of the bib.
- **The “Bib” must be affixed to the front of the participant’s shirt** – no child (or adult) will be allowed into the Kids Staging Area without a “Bib” affixed to the front of their shirt.

Affix D-Tag to Shoe

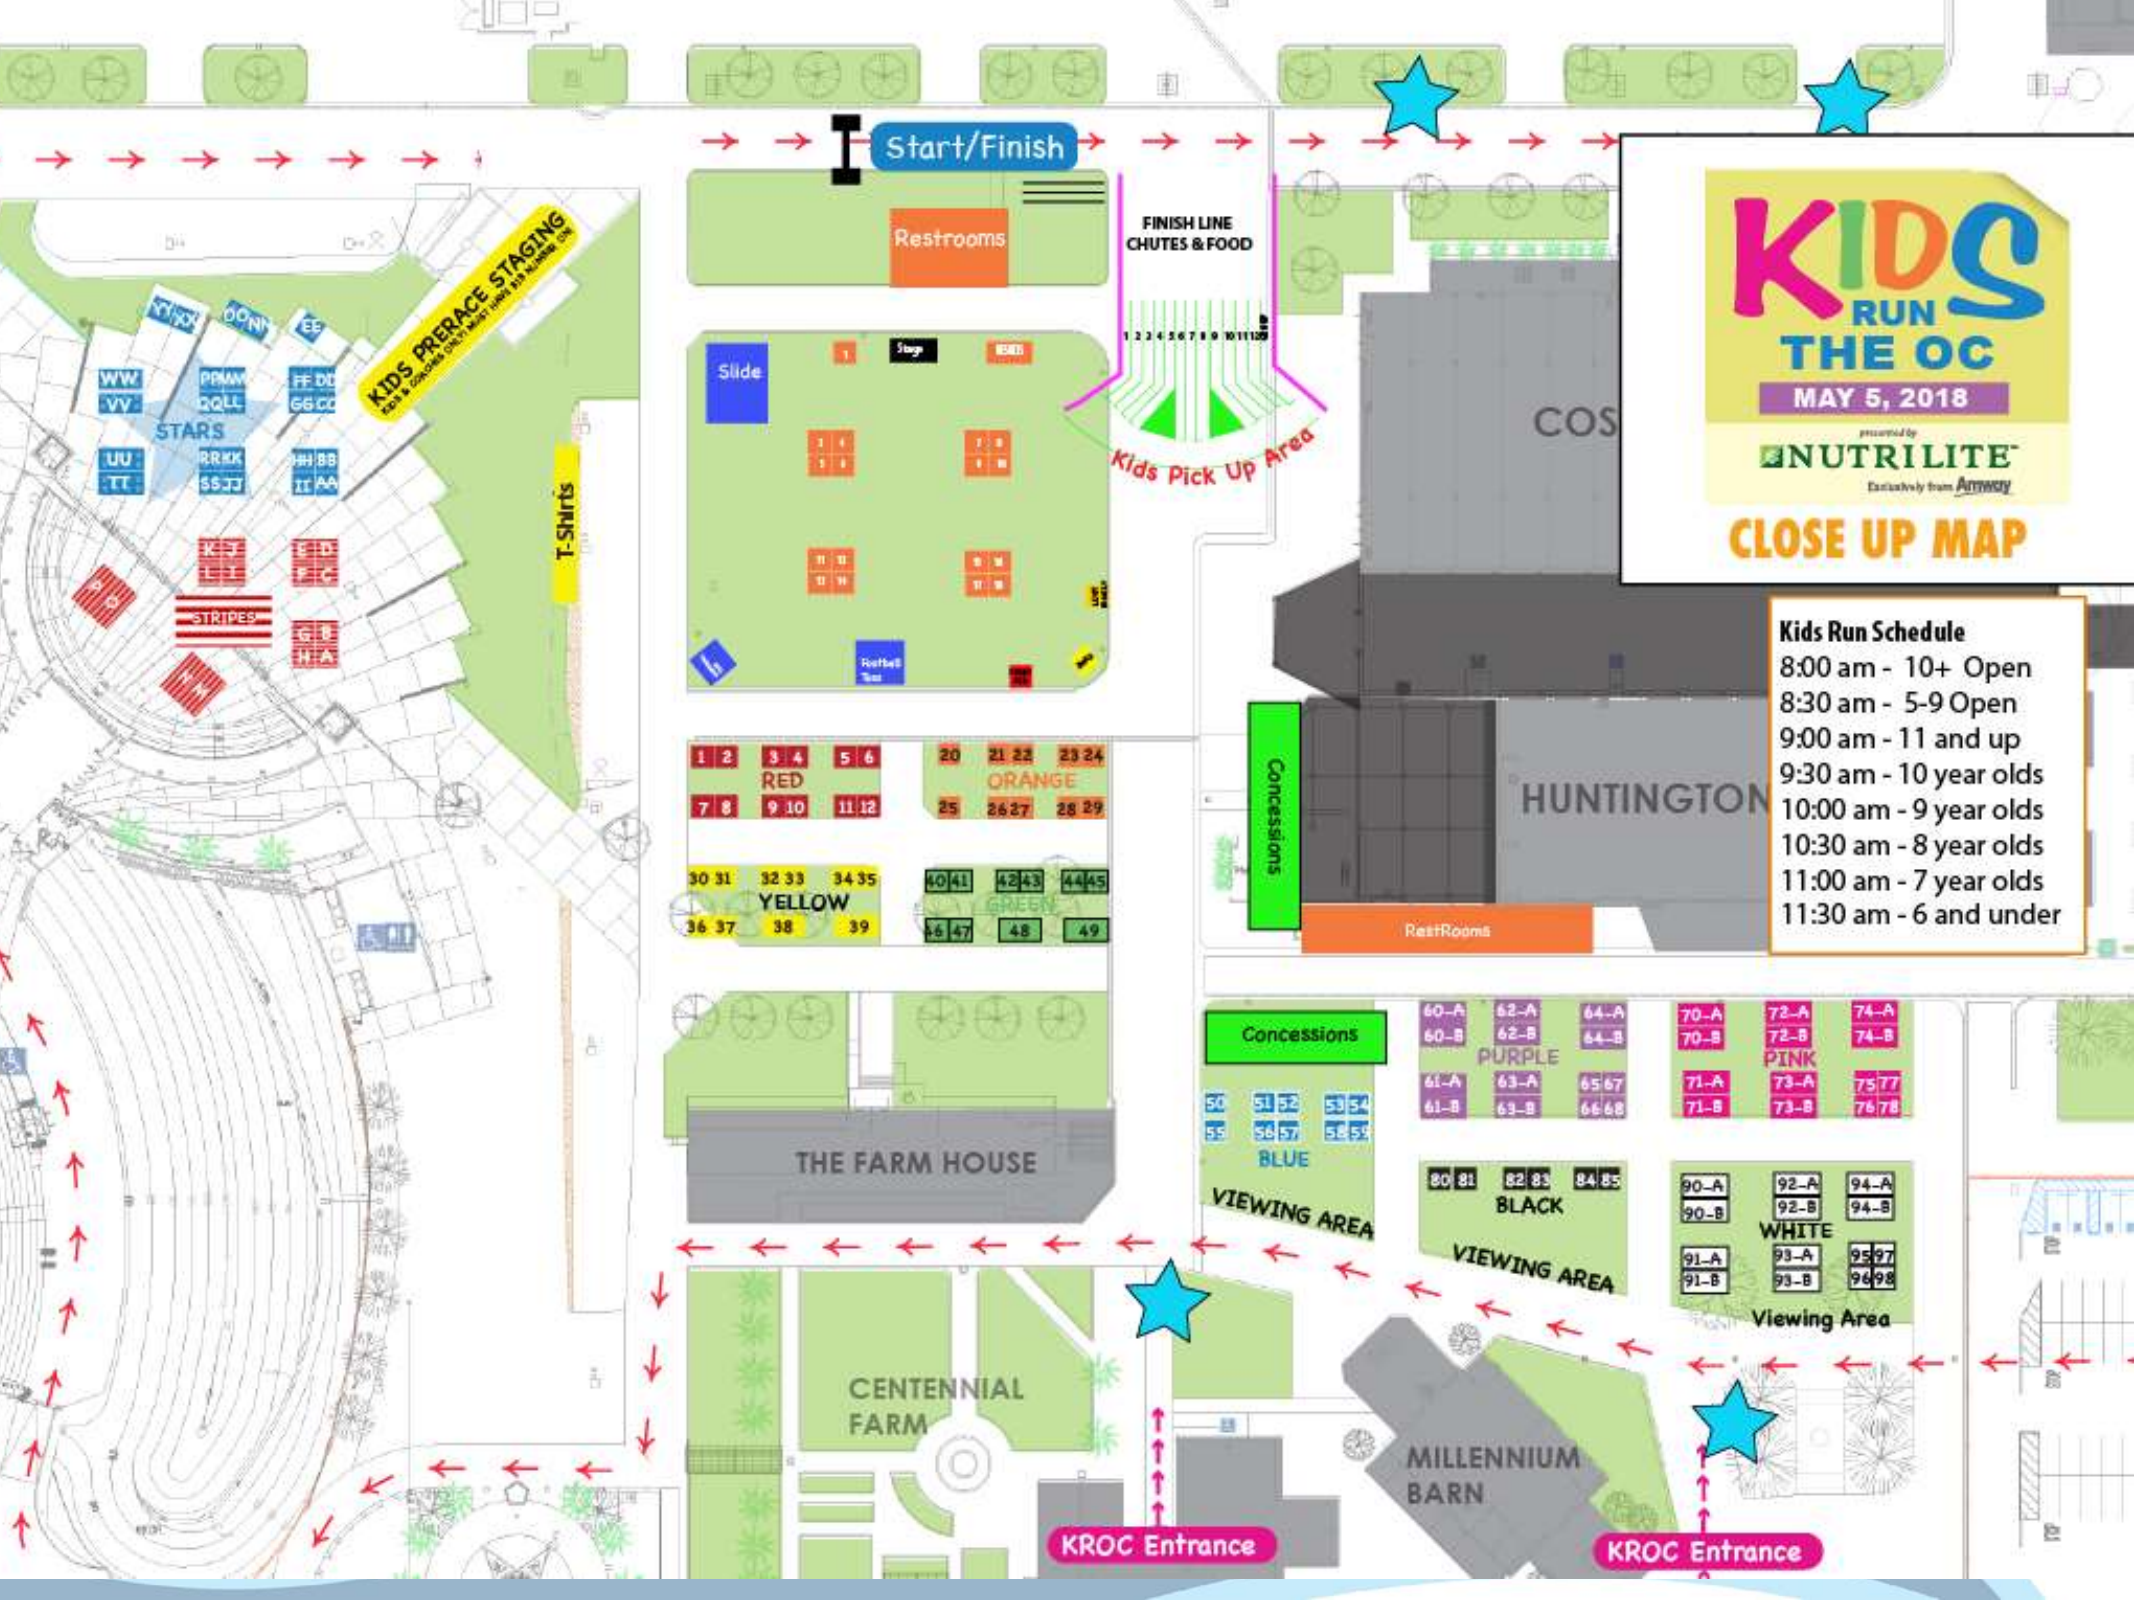

- For an accurate time, the child **Must Remove The D-TAG** from the BIB and AFFIX IT SECURELY to their shoe.
- **No D-Tag on Shoe = No Time!**
- Timing starts when the participant crosses the start line, so no need to push or jockey to the front.
- This also means that the order they cross the finish line **May Not Be The Same As The Posted Results.**
- Please watch the YouTube Video we posted at www.kidsrunthec.org under the Event Day tab for instructions on how to attach the D-Tag to the shoe.

Picking Up Your Child

- Please fill out the back of the bib with your child's emergency contact information (including cell number).
- Please remove the "Claim Tags" to be able to retrieve your child in the Kid Pick Up/Family Reunion Area.
- After your child has finished their race, they will enter a secure area to receive fluids and snacks and proceed to the secure Family Reunion/Kid Pick Up Area and be sorted according to bib number.
- Parents should proceed to the Parent Waiting Lines and follow the directions of the security guides to retrieve their child in a **civilized and safe manner.**
