

KROC Parent Information Sheet

The Kids Run the OC Training Program was designed to help pre-adolescent kids become more physically fit, promote an active and healthy lifestyle and combat the onset of childhood obesity, all while having fun! This is accomplished through various games, which help improve speed, agility, hand/eye coordination, flexibility and a child's overall fitness. Students from each participating school will be led through our popular and fun 10-week training program at their school or online led by a school volunteer that has been trained by the OC Marathon Foundation. By the end of the 10-week program each student will have accumulated the equivalent of 25.2 miles through various games and activities and hopefully have increased knowledge regarding healthy food choices and good eating habits. They will finish their "marathon" by participating in the Kids Run the OC Marathon 1-Mile Run on May 6th, 2023 at the OC Fair & Event Center in Costa Mesa, CA. This culminating event is a non-competitive run for kids ages 5-14.

Register today at kidsruntheoc.org

Once a school reaches the 30 participant threshold, participants that register online and identify their school in the space provided are eligible for a \$5.00 refund of the race registration fee to their school.

Important Info

You must sign the waiver during the digital registration process on kidsruntheoc.org to participate in the event.

If you do not register online (only available to those whose schools offer this option), you must provide a hard copy of the waiver. Parents of children in first grade or above may not run with their children. Due to insurance and liability reasons, parents of children in Kindergarten who paid the fee and signed the waiver for themselves may run with their child.

Registration

In order for your child to complete the program and receive the marathon medal, you must register for the Kids Run the OC 1-Mile Event online.
